Overall Length:

4.125 inches

Overall Height:

2.500 inches

Overall Width:

3.000 inches

End Application:

Model no. 15

Component Type And Quantity:

2 bracket

Special Features:

Cmajor components: contact levers 6; contact mounting assembly 1; clutch lever 1; usage design: keyboard transmitter assembly; mounting configuration: four, no. 6-40 threaded tapped mounting holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A5110
