Document Type:

Technical manual

Document Identification:

Tm-11-487b

Component Document Page Number:

163

Keyboard Type:

Standard communications

Installation Design:

Portable

Motor Type:

Series-governed

Unit Interval Quantity:

5.00

Tape Feed Type:

Friction

Keyboard Language:

English

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T187-c
