End Application:

Teletypewriter model 37

Component Quantity:

7

Component Document Origin:

Industrial

Document Source:

59433

Document Type:

Specification

Component Document Page Number:

1

End Item Source:

59433

Document Identification:

Specification 194155

End Item Name:

Typing units

Usage Location:

Conus

Special Features:

Provide clamp for sprocket feed platen

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
