Terminal Type:

Threaded lug

Overall Length:

Between 0.376 inches and 0.386 inches

Overall Height:

0.125 inches

Overall Width:

0.125 inches

End Application:

Radio set an/prc-77; receiver-transmitter radio rt-505/prc-25; radio set an/prc-25; test fixture for side step osc sc-gl-323051 cage 80063

Material And Location:

Steel body

Special Features:

External surfaces 125.0 in. Microinch finis

Fsc Application Data:

Radio television communication equip. Non airborne

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T389-c
