Overall Height:

0.270 inches

Overall Diameter:

0.750 inches

Mounting Configuration:

Has a 0.125 in. Diameter mtg hole central located

Special Features:

Marked w/letters b/a, a, b, b-a; machined surfaces 125.0 in. Microinch finish

Material:

Aluminum alloy

Surface Treatment:

Anodize and lacquer

Shape:

Round

Supplementary Features:

Set screw hole no. 2-56 nc-bb in side

Surface Treatment:

Anodized and lacquer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T208-c
