End Application:

Ter-102wb/dc microwave radio terminal wideband pn 157-0457-012; d-brite communications system

Functional Description:

Transmitter wideband video module filters and emphasizes signals for transmission

General Description:

Dim 5.00 in h, 2.38 in w, 9.50 inl

Fsc Application Data:

Tcm-624bt-wb/dc transmitter pn 157-0458-012

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
