Ac Voltage Rating:

120.0 volts

Frequency Rating:

60.0 hertz

Electrical Power Source Relationship:

Operating

Emission Type:

F5 receiving

Environmental Attribute Code:

Energy efficient - femp - low standby power - audio/video products - tv

Phase:

Single

Special Features:

Diagonal screen size 50 inch, 16: 9 aspect ratio, lcd hdtv projection with remote control: surround sound. Built in tuners standard ntsc and sdtv, hdtv broadcast. Height 35.3 inch, width 55.7 inch, depth 15.3 inch.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T198-b
