**Ac Voltage Rating:**

120.0 volts

**Frequency Rating:**

60.0 hertz

**Electrical Power Source Relationship:**

Operating

**Emission Type:**

F5 receiving

**Environmental Attribute Code:**

Energy efficient - femp - low standby power - audio/video products - tv

**Phase:**

Single

**Special Features:**

Diagonal screen size 50 inch, 16: 9 aspect ratio, lcd hdtv projection with remote control: surround sound. Built in tuners standard ntsc and sdtv, hdtv broadcast. Height 35.3 inch, width 55.7 inch, depth 15.3 inch.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T198-b
