Dc Voltage Rating:

12.0 volts

Special Features:

Av3010 video input; op temp 0 to 50 degrees c; composite/s-video pal/ntsc connectivity; plug and play; 3.5 amp; aluminum housing; water sealed front panel; dust, shock and water resistant; designed for industrial environments

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T198-b
