Overall Length:

5.500 inches

Overall Height:

1.320 inches

Overall Width:

2.320 inches

Dc Voltage Rating:

9.6 volts

Electrical Power Source Relationship:

Operating

Installation Design:

Portable

Product Name:

Handheld 2 meter transceiver

Special Features:

Operating temperature range: negative 10 to 60 degree celsius; antenna connector: bnc (50 ohms); number of memory channels: 43; weight (w/ant. And battery): 420 gram

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T199-d
