**Dc Voltage Rating:**

12.0 volts

**Furnished Items:**

6 inch split coax and 36 inch cable; remote control; back mounted monitor

**End Application:**

Security monitor

**Product Name:**

Back mounted monitor

**Special Features:**

Model 126390, serial number 000; used with d119861; volts 12vdc; frequency blank; amps 950ma

**Supplementary Features:**

Dimensions are 10.5 inches wide; 7.16 inches high; 1.75 inches deep; assy wt. 4.2 pounds

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T198-b
