Maximum Power Dissipation Rating:

162.000 watts

Accessory Component Quantity:

7

Furnished Items:

Remote, ac power cord, vga cable, manual, table stand

Component Document Origin:

Industrial

Accessory Controlling Agency:

Philips technologies

Electrical Power Source Relationship:

Alternate operating

Installation Design:

Any acceptable

Product Name:

Philips lcd hdtv monitor 117c (46")

Special Features:

Weight 71.9lbs (32.6kg); temp range 0-40 degrees c; mains power 50/60hertz; 44.2 x 26.1 x 5.4 in; 1920 x1080 @60hz; many languages, detachable audio 2x7 w speaker (optional)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T198-b
