Mounting Type:

Rack

Current Rating In Amps:

1.0

Power Source:

Self-contained

Intelligence Input Method:

Electrical

Product Name:

Dsp presentation mixer

Special Features:

20 hz to 20 khz frequency response; 24-bit a/d-d/a converter; 45 x 483 x 283 mm dimensions; 4 mic/line inputs and 6 stereo program line inputs; 6 line outputs; ethernet port; serial port for 3rd party rs-232 remote control; mix, route, combine, eq, delay and control functions

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A30800
