End Application:

Mt-3791a/arc-134

Component Quantity:

42

Component Document Origin:

Government

Document Source:

80063

Document Type:

Technical manual

End Item Source:

80058

Document Identification:

Mwo-11-5821-277-50/1

End Item Name:

Mounting

Product Name:

Modifications kit

Fsc Application Data:

Electronic equipment, radio, except navigation airborne

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
