Ac Voltage Rating:

5.0 volts

Dc Voltage Rating:

Between 5.0 volts and 32.0 volts

End Application:

Ac-130h series

Electrical Power Source Relationship:

Operating

Internal Battery Accommodation:

Not included

Installation Design:

Airborne

Criticality Code Justification:

Feat

Special Features:

Night vision goggles compatible; manufacturers suggested name video display

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T198-b
