End Application:

An/arc-200 radio, f-16a acft

Joint Electronics Type Designation System Item Name:

Receiver-transmitter, radio

Joint Electronics Type Designation System Item Type Number:

Rt-1449/arc-200

Electrical Power Source Relationship:

Operating

Functional Description:

Airborne hf communications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T199-d
