**End Application:**

An/gra-111, an/tra-45, an/trn-26

**Functional Description:**

Precision, attenuation measure

**General Description:**

Includes body, connector, loop coupling, resistor, 2 set screw socket hd. 2-56 by 0.125 in. Lg; loop coupling soldered to body and resistor

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
