Overall Length:

17.550 inches

Overall Height:

8.580 inches

Overall Width:

9.750 inches

Installation Design:

Portable

Input Frequency Rating:

2.048 megahertz

Special Features:

Timing out puts with stratum 1 performance are achieved using bestime

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T199-d
