Overall Length:
17.550 inches

Overall Height:
8.580 inches

Overall Width:
9.750 inches

Installation Design:
Portable
Input Frequency Rating:
2.048 megahertz

Special Features:
Timing out puts with stratum 1 performance are achieved using bestime
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
T199-d
