Overall Length:

22.000 inches

Overall Height:

6.500 inches

Overall Width:

9.500 inches

Basic Shape Style:

Rectangular or square

Identification Designator:

Sg811apq126v-80058

Inclosure Type:

Encased

Installation Design:

Rack

Reference Number Differentiating Characteristics:

As differentiated by mfr source control dwg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A32200
