Special Features:

9c/o bearing unit; distance unit; silkscreen base; silkscreen inside; silkscreen printed circuit board; phase detector unit; base detector; printed circuit board (2); phase detector subassembly; cable assembly; dial assembly, course; dial assembly, fine; idler 72 tooth, 60 tooth, 40 tooth, 80 tooth, 75 tooth; gear assembly, 84 tooth and 30 tooth; gear assembly-distance 3; gear cluster; spur gear 37; gearshaft-spur 7; shouldered shaft 4; resistor assembly; gear cluster-spur 2; gear train 2; misc hardware

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T389-c
