End Application:

Situational awareness

Product Name:

Gps

Special Features:

Gps lpv glideslope approach; ifr conditions; includes accessories mounting rack (115-00345-00)connector kit (011-00351093)back plate assembly (011-00671-01)gns 500 product info kit (k00-00060-01)

Special Test Features:

Faa tso c146a vors, ndbs, sids/stars class b taws

Supplementary Features:

500w series installation manual 190-00357-02 rev a november 2006

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T199-d
