Operating Temperature Range:

-55.0/+70.0 degrees celsius

End Application:

Falcon 20 aircraft

Operating Range:

Max altitude: 55,000 ft

Maximum Wattage Rating In Watts:

13.5

Maximumlength:

14.120 inches

Maximumwidth:

3.000 inches

Maximumheight:

3.440 inches

Product Name:

Communications management unit, corporate

Special Features:

Weight: 3.5 lb; 31.5 kbps data rate; two way text messaging and storage; uplinked textual and graphical weather information to support strategic and tactical flight planning; stores and downlinks fuel status and engine trend data; provides air traffic service communications, incl.
