**Product Name:**

Global positioning system

**Special Features:**

Provides linear and angular acceleration, velocity, position, altitude, heading, attitude, body angular rates; m3163 (egi 1, lh), m3164 (egi 2, rh)

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T198-b
