

View Online at <https://aerobasegroup.com/nsn/5830-01-351-2501>

Dc Voltage Rating:

28.0 volts

Electrical Power Source Relationship:

Alternate operating

Special Features:

12 sealed switch housings; panel mtd; contacts gold plated; spdt; specification control dwg ps141345.98 controlled by cae electronics
montreal canada

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T142-p
