Dc Voltage Rating:

30.0 volts

Amplifier:

Included

Electrical Power Source Relationship:

Operating

Usage Design:

Indoor

Special Features:

4 channel full-duplex headset station; wall mounted; mount in standard us 2-gang outlet box; electronic switching for talk button; mic-on led indicator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T20100
