Prime Mover Quantity:

1

Environmental Protection:

Any acceptable

Prime Mover Type:

Electric motor

Inclosure Type:

Any acceptable

Operation Method:

Power

Capstan Spool Mounting Position:

Vertical

Capstan Spool Surface Design:

Plain

Cooling Method:

Any acceptable

Special Features:

Used to adapt reel

Fsc Application Data:

Sound recording and reproducing equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02800
