**Overall Length:**

2.125 inches

**Overall Height:**

0.625 inches

**Overall Width:**

1.750 inches

**Component Type And Quantity:**

1 bracket and 2 insert

**Special Features:**

Component quantity: 3; mounting configuration: two 0.156 in. Dia mtg holes 0.750 in. Between mtg centers; fsc application data: sound recording and reproducing equipment

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A51110
