Overall Length:

2.125 inches

Overall Height:

0.625 inches

Overall Width:

1.750 inches

Component Type And Quantity:

1 bracket and 2 insert

Special Features:

Component quantity: 3; mounting configuration: two 0.156 in. Dia mtg holes 0.750 in. Between mtg centers; fsc application data: sound recording and reproducing equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51110
