Overall Length:

4.064 inches

Overall Height:

0.750 inches

Overall Width:

2.562 inches

Length:

76.000 feet

End Application:

5835-01-028-6325

Special Features:

3 min 0.250 in. Wide magnetic tape

Functional Description:

Used to record/playback messages at aircraft control towers

Material:

Plastic

Material:

Plastic

Fsc Application Data:

Sound recording and reproducing equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T207-b
