Dc Voltage Rating:

28.0 volts

End Application:

Reproducer set, voice warning an/ash-19

Joint Electronics Type Designation System Item Name:

Reproducer set, voice warning

Joint Electronics Type Designation System Item Type Number:

An/ash-19

Electrical Power Source Relationship:

Operating

Case:

Not provided

Internal Battery Accommodation:

Not included

Recording Medium For Which Designed:

Tape

Automatic Disk Changer:

Not included

Fsc Application Data:

Sound recording and reproducing equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T207-a
