Overall Length:

15.938 inches

Overall Height:

2.563 inches

Overall Width:

2.875 inches

End Application:

Tr1510

Component Type And Quantity:

2 bracket and 1 shaft and 1 semiconductor and 1 case

Special Features:

Component quantity: 5; fsc application data: sound recording and reproducing equipmenet

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
