Overall Length:

8.390 inches

Overall Height:

5.040 inches

Overall Width:

13.030 inches

End Application:

Sound recording and reproducing equipment

Electrical Power Source Relationship:

Operating

Case:

Not provided

Recording Method:

Electromechanical

Recording Medium For Which Designed:

Tape

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T207-a
