Overall Length:

5.030 inches

Overall Height:

0.980 inches

Overall Width:

2.520 inches

Usage Design:

Dictating machine

Case:

Not provided

Internal Battery Accommodation:

Included

Recording Method:

Electromechanical

Recording Medium For Which Designed:

Tape

Special Features:

Built in microphone; batteries required aa

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T207-a
