Overall Length:

6.562 inches

Overall Height:

0.625 inches

Overall Width:

4.812 inches

End Application:

5850-00-897-9873 recorder subassembly

Component Type And Quantity:

1 latch

Special Features:

Component quantity: 1; fsc application data: video recording and reproducing equipment; stainless steel material

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
