Width:

Between 7.990 millimeters and 8.010 millimeters

End Application:

F-16 aircraft

Duration:

120.0 minutes

Special Features:

Tape is metal evaporated position

Material:

Metal

Supplementary Features:

Hi-8 8mm wide; recording time in standard play is 120 min. Recording time in long play is 4 hours; nha pn is 16e2102

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T207-b
