Overall Length:

19.000 inches

Overall Height:

1.750 inches

Overall Width:

11.000 inches

End Application:

An/fsq-114; mod pgm

Voltage In Volts And Current Type:

95.0 ac

Special Features:

Item is capable of ntsc, pal or universal video signal; accepts input power in range of 95v-250v, 47hz-500hz; opr temp: 0 to 40 degrees cel

General Description:

Rack mount unit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
