Overall Length:

17.400 inches

Overall Height:

1.750 inches

Overall Width:

8.500 inches

Wattage Rating:

10.000 watts

Voltage In Volts And Current Type:

240.0 ac

Special Features:

Fully customizable picture in picture configurations, image freeze control, user memory presets

Color:

Black

Material:

Tin alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
