Dc Voltage Rating:

12.0 volts

Component Document Origin:

Industrial

Document Type:

Communication equipment parts catalog

Special Features:

Ip66 rated water resistant, dual mounting; surface/ceiling & wall, multangle adjustment feature

Supplementary Features:

Ir vandal dsp color dome camera

Type/model Designation:

Nlvpdvfix

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T198-b
