Overall Length:

17.000 inches

Overall Height:

1.700 inches

Overall Width:

6.100 inches

End Application:

Mobile surveillance systems

Voltage In Volts And Current Type:

12.0 dc

Product Name:

Ethernet video server

Special Features:

8 port ip video encoder

Color:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
