Overall Height:

1.340 inches

Overall Width:

2.500 inches

End Application:

Radar set, an/tps-43

Component Type And Quantity:

4 plate

Special Features:

Major components: side 2; seven holes located on different areas of item

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A51110
