Overall Length:

6.000 inches

Overall Height:

0.641 inches

Overall Width:

5.000 inches

Component Type And Quantity:

5 bracket and 9 jack and 1 printed wiring board and 4 relay and 16 terminal

Special Features:

Mounting method: connector, rack

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A51110
