Stabilizing Pedestal - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5840-01-014-2872

General Description:

Shelf Life:	
and pitch gimbals thus maintaining the pedestal in a horizontal plane, pitch limits minus 3 degrees plus 3 deg, roll limits pl	us or minus 10 deg
Material aluminum, electrical data 120 vac, 400 hz, single phase, 48.000 in. Diameter by 6.0 ft h, two motor driven actuators	ors stabilize the roll

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
