Terminal Type:

Screw

Mounting Type:

Base

End Application:

Fresnel lens optical landing system mk6 mod3

Terminal Location:

Back

Power Source:

External

Input Intelligence Type:

Pitch-roll signal data

Intelligence Input Method:

Electrical

Fsc Application Data:

Signal landing system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A30800
