Overall Length:

0.655 inches

Overall Height:

0.235 inches

Overall Width:

0.450 inches

Gap Type:

Nonrotary

Electrode Material:

Ceramic or glass

Adjustability Feature:

Not included

Special Features:

Body of item is circular with a threaded base maximum diameter 0.235 in.

Specification Data:

10001-2912622-4 manufacturers specification control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T208-b
