Mounting Type:

Clamp or flange

Power Source:

Self-contained

Input Intelligence Type:

Air temperature and humidity

Output Intelligence Type:

Air temperature and humidity

Product Name:

Environmental sensor

Special Features:

Temp range -40c to 123c; +/- 0.5 accuracy; built in illumination sensor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
