**Criticality Code Justification:**

Zzzy

**Special Features:**

Aft altitude sonar; critical item for safety and survival of deep submergence research and rescue vehicles as differentiated by special test features

**Reference Number Differentiating Characteristics:**

Critical item for safety and survival of deep submergence research and rescue vehicles

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T212-g
