## NSN 5845-01-409-1760

T212-g

Sonar Detecting-ranging Set - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5845-01-409-1760

Criticality Code Justification:
Zzzy
Special Features:
Aft altitude sonar; critical item for safety and survival of deep submergence research and rescue vehicles as differentiated by special test
features
Reference Number Differentiating Characteristics:
Critical item for safety and survival of deep submergence research and rescue vehicles
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
