Joint Electronics Type Designation System Item Type Number:

An/ssq-62d (dicass)channel d

Electrical Power Source Relationship:

Operating

Internal Battery Accommodation:

Included

Unpackaged Unit Weight:

32.800 pounds

Special Features:

Sonar channel (d), w/helicopter compatible parachute, w/g-3 launch envelope, (1) hr. Operating life, selectable operating depth range (50/150/300 ft.) or (90/400/1500 ft.). Contains 12 lithium batteries.

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T212-b
