Overall Length:

0.960 inches

End Application:

Control displ, navigational systems

Special Features:

Led, volts vdc 5, connection horizontal, legend split, att, loss invalid reading, lense cap aluminum, black anodized, next assembly
1961358, used on 1805611

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528d0
